

Club Installation Guidelines

Dear Spectrum of Leaders,

This initial document will help you find the basic information to start your Rotary Year as a Leader of your Club, by providing the indicative guide on Rotaract Club Installation.

We recommend the Clubs to conduct the Rotaract Club Installation by **October** as that would help Clubs in planning the course of the plan for the Year.

I. Please note that this is the suggested agenda for your Club's Installation:

- MC Welcomes the Gathering.
- Collaring of the Outgoing President by the Outgoing Secretary.

II. Checklist for the Installation:

- Club charter certificate/charter application copy. (Signed by the President to be presented during the Installation)
- President's collar.
- Gavel & gong.
- Club Banner.
- Letterhead with correct Rotaract logo as specified in the Handbook.
- Office bearer's lapel pins.
- Theme release – related items (if applicable).
- Agenda & Invitation copies to be placed on the desk for the reference of Dignitaries.

- Rotarians to be acknowledged during the welcome address.
- Invite your Partner Rotary/Rotaract President and Youth Service Director, District Officials, Fellow Presidents and Secretaries.
- Follow time strictly.
- Take into consideration that the DRR and Team have several Installations to attend.

III. Recommended Seating arrangement:

*Please note that this is an indicative representation, and the thumb rule is **Centre is the President** (First Outgoing -- and then Incoming) and hierarchy moves on either side.

For example: Next important is Partner Rotary/Rotaract President hence he takes the chair RIGHT next to the Rotaract President, after that the Principal/Vice Principal/Chief Guest so he takes the LEFT chair next to the President and so on.
